#### **DECONCENTRATION & INCOME MIX PLAN OF THE HOUSING AUTHORITY OF FORREST CITY, ARKANSAS IN ACCORDANCE WITH THE QUALITY HOUSING AND WORK RESPONSIBILITY ACT OF 1998**

The Housing Authority of the City of Forrest City, Arkansas, will offer units to low-income eligible applicants in accordance with our Statement of Policies governing admissions to and continued occupancy of low-income housing developments owned by the Housing Authority of Forrest City, Arkansas; hereinafter referred to as "Operating and Admissions Policy."

- Deconcentration of poverty and income mixing will be accomplished by the specifics and methodology stated therein by the Operating and Admissions Policy.
- The public housing authority's policy is designed to provide deconcentration of poverty and income-mixing by bringing higher income tenants into lower income projects and lower income tenants into higher income projects. The stated methods are intended to avoid concentrations of the most economically and socially deprived families in any one or all of the projects.
- The public housing authority's policy is further designed to establish income mixing by establishing a tenant body in each project composed of families with a wide range of incomes and rent paying ability which is generally representative of incomes of low-income families in the public housing authority's area of operation.

The public housing authority will gather data and analyze annually the tenant characteristics of its public housing stock to assist in the public housing authority's deconcentration efforts.
